

PSYC/NEUR 479
HUMAN NEUROPSYCHOLOGY
Fall 2018

Instructor:	Dr. Vinay Bharadia, R.Psych.	Lecture Location:	MS 217
		Lecture Days/Time:	Tu/Th 11:00am to 12:00pm
Email:	vbharadia@ucalgary.ca	TA:	Christianne Laliberte
Office:	A155B	Email:	Christianne.Lalibert @ucalgary.ca
Office Hours:	By appointment		

Course Description

Integration of the literature on human brain damage with the evidence from animal research. Topics include developmental neuropsychology; cognitive deficits associated with frontal, parietooccipital, and temporal lobes; origins and mechanisms in the determination of cerebral dominance; disorders of learning and memory; long-term effects of cerebral lesions.

Course Learning Outcomes

The Department of Psychology is committed to student knowledge and skill development. The table below lists the key learning outcomes for this course, the program-learning outcomes they facilitate (see psyc.ucalgary.ca/undergraduate/program-learning-outcomes), and the expected level of achievement.

Understand empirically based approaches to psychological and neuropsychological assessment
Multiple choice, short answer and long answer exams, lab assignments and weekly quizzes.

Course Learning Outcomes	Assessment Methods	PLO(s)	Level(s)
Understand empirically based approaches to psychological and neuropsychological assessment.	Reading quizzes Term Paper Midterm/Final Exam	1, 4, 5, 7	C
Review and master basic human neuroanatomy and neurophysiology.	Reading quizzes Term Paper Midterm/Final Exam	1, 4, 5, 7	C
Apply knowledge about human neuropsychological functioning to infer conclusions about behavior.	Reading quizzes Term Paper Midterm/Final Exam	1, 4, 5, 7	C
Understand and explain the neural substrates associated with specific areas of cognitive functioning and their related disorders.	Reading quizzes Term Paper Midterm/Final Exam	1,2,4,5,6,7	C

Explain how various cognitive disorders result from changes or damage to the human brain.	Reading quizzes Term Paper Midterm/Final Exam	1,2,4,5,6,7	A
Formulate original questions by drawing connections among elements within the course.	Reading quizzes Term Paper Midterm/Final Exam	1,2,4,5,6,7	A

Notes. PLOs = Program-Learning Outcomes: 1 = demonstrate knowledge of psychological sciences, 2 = think critically and solve problems, 3 = conduct research and analyze data, 4 = communicate effectively, 5 = demonstrate information literacy, 6 = understand and implement ethical principles, 7 = apply psychological knowledge and skills. Level of PLO achievement facilitated by this course: I = introductory, C = competency, A = advanced.

Prerequisites

Psychology 375; 301 or 312

Required Text

Kolb & Wishaw (2015), *Fundamentals of Human Neuropsychology*, Seventh Edition
Hard copies available at the University Bookstore. Also available as electronic version at http://www.coursesmart.com/IR/8223251/9781429282956?_hdv=6.8

Assessment Methods

Course Component:	Weight/Dates:
<i>Lecture</i>	
Midterm: Textbook/assigned pdfs and lecture material from Sept. 6 to Oct. 18, 2016. Oct 25: 75 minutes, multiple choice questions Oct 30: in class writing of 2 of 4 take home questions.	30% October 25 and 30, 2018
Final exam Textbook/ assigned pdfs and lecture material from Nov. 1 to Dec. 6, 2016. Multiple choice and short answer.	30% (Date TBA)
<i>Reading Checks:</i>	
5 short quizzes on assigned readings for a given lecture will be given in class. The aim here is to allow students to gauge their mastery of ongoing material through the course. Quizzes will focus on the basic anatomy and bolded terms of assigned textbook chapter readings.	1% each x 5 (Dates TBA)
<i>Term Paper:</i>	
November 1, 2018: individual topics must be approved by Dr. Bharadia by this date. Term Paper will be on a topic of the student's choice. The paper should be a critical review of a Neuropsychological, Neurological, or Neuropsychiatric disorder and not overlap with topics covered in lecture. The emphasis here	35% November 1, 2018: topics approved by Dr. Bharadia. November 26, 2018: Papers due via email by 11:59pm.

<p>should be the exploration of a topic you are passionate about. The paper should start with a literature review/ background description of the topic/disorder and most importantly, demonstrate an integration and critical review of the literature, with proposed future research or clinical directions of the topic. At least 4, recent (~5 years) peer reviewed articles should be part of your source material. Length should not exceed 10 double spaced typed pages.</p>	<p>Submission should be electronic via my email address. Late papers will be subject to a 5% deduction per 24 hours past the deadline.</p>
--	--

You are not allowed to have any materials with you during exams (e.g. Phones, iPods, iPads, computers, books, notes, etc.).

Please refer to *Absence from A Test/Exam* section in case of absence from the midterm or final exam.

Department of Psychology Criteria for Letter Grades

Psychology professors use the following criteria when assigning letter grades:

A+ grade: *Exceptional Performance.* An A+ grade indicates near perfect performance on multiple choice and short answer exams. For research papers/essays/course projects/presentations, an A+ grade is awarded for exceptional work deserving of special recognition and is therefore not a common grade.

A, A- Range: *Excellent Performance.* Superior understanding of course material. Written work is very strong in terms of critical and original thinking, content, organization, and the expression of ideas, and demonstrates student's thorough knowledge of subject matter.

B Range: *Good Performance.* Above average understanding of course material. Written work shows evidence of critical thinking and attention to organization and editing but could be improved in form and/or content.

C Range: *Satisfactory Performance.* Adequate understanding of course material. Knowledge of basic concepts and terminology is demonstrated. Written work is satisfactory and meets essential requirements but could be improved significantly in form and content. Note: All prerequisites for courses offered by the Faculty of Arts must be met with a minimum grade of C-.

D range: *Marginally meets standards.* Minimal understanding of subject matter. Written work is marginally acceptable and meets basic requirements but requires substantial improvements in form and content. Student has not mastered course material at a level sufficient for advancement into more senior courses in the same or related subjects.

F grade: *Course standards not met.* Inadequate understanding of subject matter. Written work does not meet basic requirements. Student has not demonstrated knowledge of course material at a level sufficient for course credit.

Grading Scale

A+	96-100%	B+	80-84%	C+	67-71%	D+	54-58%
A	90-95%	B	76-79%	C	63-66%	D	50-53%
A-	85-89%	B-	72-75%	C-	59-62%	F	0-49%

As stated in the University Calendar, the instructor has discretion to round off either upward or downward to determine a final grade when the average of term work and final examinations is between two letter grades. To determine final letter grades, final percentage grades will be rounded up or down to the nearest whole percentage (e.g., 89.5% will be rounded up to 90% = A, however, 89.4% will be rounded down to 89% = A-).

Tentative Lecture Schedule

Ideally in table format with date of class, topics to be covered, and chapters/readings to be read. Due dates for tests/exams and assignments should be included in this schedule as well.

Date	Topic/Activity/Readings/Due Date (revise and add columns & rows as necessary)
R Sep 6	Lecture begins. Introductions. Chapter 1.
T Sep 11	Evolution and the Brain. Chapter 2/ Neuroanatomy. Chapter 3
R Sep 13	Neuroanatomy continued; Neurophysiology, Chapter 3-4 Last day to drop full courses (Multi-term) and Fall Term half courses. No refunds for full courses (Multi-term) or Fall Term half courses after this date.
F Sep 14	Last Day to Add Courses
T Sep 18	Neurophysiology. Continued; Chapter 3-4; Neurotransmission/The Synapse. Ch. 5
R Sep 20	Research Methods in Neuropsychology. Chapter 7
F Sep 21	Fee payment deadline for Fall Term full and half courses.
T Sep 25	Brain Systems and Networks and the Disconnection Syndrome. Chapters 10, 17
R Sep 27	Brain Development. Chapter 23
T Oct 2	Cerebral Asymmetry. Chapter 11, 12
R Oct 4	Language and the Aphasias. Chapter 19
M Oct 8	Thanksgiving Day, University closed (except Taylor Family Digital Library, Law, Medical, Gallagher and Business Libraries). No lectures.
T Oct 9	The Occipital Lobe. Chapter 13
R Oct 11	The Visual System and Related Disorders. Chapter 8, 13
T Oct 16	The Parietal Lobe. Chapter 14
R Oct 18	The Motor System; Somatosensory Processes, the Agnosias/Apraxias. Chapter 8, 14
T Oct 23	Study Day. No Classes
R Oct 25	In Class MIDTERM EXAM (Multiple Choice Section) Take Home Questions given
T Oct 30	MIDTERM Long Answer Section in Class writing of 2 of 4 take home questions
R Nov 1	The Temporal Lobe. Chapter 15; Memory and Amnesic Syndromes. Chapter 18 Deadline for approval of term paper topic.
T Nov 6	Guest Lecture: TBA
R Nov 8	The Frontal Lobe. Dysexecutive Syndromes. Chapter 16
R Nov 11-17	Reading Days. No lectures.
M Nov 12	Remembrance Day (Observed). University Closed (except Taylor Family Digital Library, Law, Medical, Gallagher and Business Libraries). No lectures.

T Nov 20	Emotions and Social Neuroscience. Chapter 20
R Nov 22	Neurological Disorders. Chapter 26
M Nov 25	<u>TERM PAPER DUE – ELECTRONIC SUBMISSION</u>
T Nov 27	Psychiatric Disorders. Chapter 27
R Nov 29	Brain Injury and Recovery. Chapter 23, 25
T Dec 4	Neuropsychological Assessment and Multidisciplinary Teams in Health Care. Ch. 28
R Dec 6	Open Topic period: Class to decide topic of last class
F Dec 7	Fall Term Lectures End. Last day to withdraw with permission from Fall Term half courses.
Dec 10-20	Fall Term Exam Period.

Reappraisal of Graded Term Work <http://www.ucalgary.ca/pubs/calendar/current/i-2.html>

A student who feels that a piece of graded term work (term paper, essay, test, etc.) has been unfairly graded, may have the paper re-graded as follows. The student shall discuss the work with the instructor **within fifteen days** of being notified about the mark or of the item's return to the class. If not satisfied, the student shall **immediately** take the matter to the Director of Undergraduate Studies who will arrange for a reassessment of the work **within the next fifteen days**. Students in faculties without a departmental structure should take the matter to the dean or the associate/assistant dean (Academic/Student Affairs) of the faculty offering the course. The result of that reassessment should be given to the student in writing. ***The reappraisal of term work may cause the grade to be raised, lowered or to remain the same.***

Reappraisal of Final Grade <http://www.ucalgary.ca/pubs/calendar/current/i-3.html>

In the reappraisal of a final grade, the only element that will be considered is the grading of the final assessment that makes up the final mark (e.g., final examination, final project, final paper). An exception may occur when the Instructor of Record evaluates a piece of graded term work at the end of the term; that grade may also be considered in a reappraisal of final grade.

A student wishing a reappraisal of a final grade should first attempt to review the final assessment with the department or faculty offering the course. After which, the student shall obtain a Reappraisal of Final Grade form from ucalgary.ca/registrar (under Student Forms). Students must indicate exactly what error was made in marking the final assessment and/or in computing the final grade. The reappraisal will only be considered if the student provides a detailed rationale that outlines where and for what reason an error is suspected.

Students wishing a reappraisal of a final grade (excluding Law courses) must submit their request by the following dates:

Fall Term – March 1

Winter Term – June 30

Spring Intersession – August 15

Summer Term – October 15

Supplemental Examinations: 30 calendar days from the date the examination was written

The reappraisal form shall be submitted to Enrolment Services who will forward it to the department head or dean of the faculty offering the course. Reappraisals of final grades are dealt with by the head of the academic unit in consultation with members of academic staff. Normally, the department/faculty will respond to a reappraisal request within thirty calendar days of its initiation. After the reappraisal is completed, the department shall return the form to the Registrar's Office who shall inform the student in writing of the decision. ***Students should be aware that the grade being reappraised may be raised, lowered or remain the same. A student may request a reappraisal of final grade only twice in one academic year (September 1 – August 31).***

Plagiarism and Other Academic Misconduct

Intellectual honesty is the cornerstone of the development and acquisition of knowledge and requires that the contribution of others be acknowledged. Consequently, plagiarism or cheating on any assignment is regarded as an extremely serious academic offense. Plagiarism involves submitting or presenting work in a course as if it were the student's own work done expressly for that particular course when, in fact, it is not. Students should examine sections of the University Calendar that present a Statement of Intellectual honesty and definitions and penalties associated with Plagiarism/Cheating/Other Academic Misconduct <http://www.ucalgary.ca/pubs/calendar/current/k-5.html>.

Academic Accommodations

The student accommodation policy can be found at: ucalgary.ca/access/accommodations/policy. Students needing an Accommodation because of a Disability or medical condition should communicate this need to Student Accessibility Services in accordance with the Procedure for Accommodations for Students with Disabilities ucalgary.ca/policies/files/policies/student-accommodation-policy. Students needing an Accommodation based on a Protected Ground other than Disability, should communicate this need, preferably in writing, to the instructor.

Seating During Exams

Instructors and exam invigilators are free to ask students to move seats before an exam begins or even during an exam. Students must comply with this request and refusal to do so may warrant a charge of academic misconduct.

Absence From A Test/Exam

Makeup tests/exams are **NOT** an option without an official University medical excuse (see the University Calendar). A completed Physician/Counselor Statement will be required to confirm absence from a test/exam for health reasons; the student will be required to pay any cost associated with this Statement. Students who miss a test/exam have up to 48 hours to contact the instructor and to schedule a makeup test/exam. Students who do not schedule a makeup test/exam with the instructor within this 48-hour period forfeit the right to a makeup test/exam. At the instructor's discretion, a makeup test/exam may differ significantly (in form and/or content) from a regularly scheduled test/exam. Except in extenuating circumstances (documented by an official University medical excuse), a makeup test/exam must be written within 2 weeks of the missed test/exam during exam make-up hours provided by the department <http://psychology.ucalgary.ca/undergraduate/exam-and-course-information#mues>. If a student cannot

write their final exam on the date assigned by the Registrar's Office, they need to apply for a deferred exam http://www.ucalgary.ca/registrar/exams/deferred_final.

Travel During Exams

Consistent with University regulations, students are expected to be available to write scheduled exams at any time during the official December and April examination periods. Requests to write a make-up exam because of conflicting travel plans (e.g., flight bookings) will NOT be considered by the department. Students are advised to wait until the final examination schedule is posted before making any travel arrangements. If a student cannot write their final exam on the date assigned by the Registrar's Office, they need to apply for a deferred exam http://www.ucalgary.ca/registrar/exams/deferred_final. Students with an exceptional extenuating circumstance (e.g., a family emergency) should contact the Department of Psychology (psyugrd@ucalgary.ca).

Freedom of Information and Protection of Privacy (FOIP) Act

The FOIP legislation disallows the practice of having student's retrieve tests and assignments from a public place. Therefore, tests and assignments may be returned to students during class/lab, or during office hours, or will be made available only for viewing during exam review sessions scheduled by the Department. Tests and assignments will be shredded after one year. Instructors should take care to not link students' names with their grades, UCIDs, or other FOIP-sensitive information.

Acknowledgments and Respect for Diversity

Our classrooms view diversity of identity as a strength and resource. Your experiences and different perspectives are encouraged and add to a rich learning environment that fosters critical thought through respectful discussion and inclusion. The Department of Psychology would also like to acknowledge the traditional territories of the people of the Treaty 7 region in southern Alberta. The City of Calgary is also home to Métis Nation of Alberta, Region III.

Wellness and Mental Health Resources

The University of Calgary recognizes the pivotal role that student mental health plays in physical health, social connectedness and academic success, and aspires to create a caring and supportive campus community where individuals can freely talk about mental health and receive supports when needed. We encourage you to explore the excellent mental health resources available throughout the university community, such as counselling, self-help resources, peer support or skills-building available through the SU Wellness Centre (Room 370, MacEwan Student Centre, <https://www.ucalgary.ca/wellnesscentre/services/mental-health-services>) and the Campus Mental Health Strategy website (<http://www.ucalgary.ca/mentalhealth/>).

Course Credits for Research Participation

Extra Research Participation Course Credit is Not Offered for this Course.

Evacuation Assembly Point

In case of an emergency evacuation during class, students must gather at the designated assembly point nearest to the classroom. The list of assembly points is found at

<http://www.ucalgary.ca/emergencyplan/assemblypoints>

Please check this website and note the nearest assembly point for this course.

Student Organizations

Psychology students may wish to join the Psychology Undergraduate Students' Association (PSYCHS).

They are located in Administration 130 and may be contacted at 403-220-5567.

Student Union VP Academic: Phone: 403-220-3911 [suvpaca@ucalgary.ca](mailto:suypaca@ucalgary.ca)

Student Union Faculty Rep.: arts1@su.ucalgary.ca

Student Ombudsman's Office

The Office of the Student Ombudsmen provides independent, impartial and confidential support for students who require assistance and advice in addressing issues and concerns related to their academic careers. The office can be reached at 403-220-6420 or ombuds@ucalgary.ca

(<http://www.ucalgary.ca/provost/students/ombuds>)

Safewalk

The safewalk program provides volunteers to walk students safely to their destination anywhere on campus. This service is free and available 24 hrs/day, 365 days a year.

Call 403-220-5333.

Important Dates

The last day to drop this course with no "W" notation and **still receive a tuition fee refund** is **September 13, 2018**. Last day to add a course is **September 14, 2018**. The last day to withdraw from this course is **December 7, 2018**.
